Ecuador Travel Credit

iJourneyGreen is a 501c3 non-profit that provides a way for tour operators, businesses, and travelers to give back in the regions of the world that they travel.

The iJourneyGreen Ecuador Travel Credit donates money to an environmental, social, and charitable cause in the United States, and is a perfect solution for travelers wanting to give back to this incredible region.

Please find below the details of an (example) Travel Credit investments for this region.

1

Ecuador Rainforest Project:
This specifically funds the Ecuador Rainforest project, which helps safeguard Ecuador's diverse wildlife in an area where over 80% of the tropical rainforests have already been destroyed, leaving many species globally threatened.

2

Sarayacu People in Ecuador Project:

This local project helps protect the board of the indigenous Sarayacu people from oil companies pushing its oil operations deeper into the Ecuadorian Rainforest.

3

Microfinance loan in South America:
Microfinance is the provision of financial services such as loans, savings, insurance, and training to people living in poverty. It is one of the great success stories in the developing world in the last 30 years and is widely recognized as a just and sustainable solution in alleviating global poverty.
