

Featured Program - Lake Powell Adventure

Lake Powell has more coastline than the entire western coast of the United States due to the numerous slot canyons found along the lake. As a result of this unique landscape this region is rapidly becoming a hot spot for remote uncharted adventures.

After several months of hard work The Southern Terrain is proud to be accepted by the Glen Canyon National Recreation Area as a commissioned kayaking, canyoneering and camping outfitter for the Lake Powell area.

About This Adventure

Upcoming Adventures - Adventure Training

Coming up in March is our second hike in the adventure training series of San Diego hikes. On Sunday, March 18th our adventure trainer Maggie Paola will lead a hike at Mt. Woodson starting at 8 am. You can join this training session for only \$15, so contact us today to sign up.

For more info on our training programs click [HERE](#).

New Facebook Page

Check out our new Facebook fan page, like it and you'll have a chance at winning a free 4 hour climbing session for you and a friend. At the end of March we'll select a lucky fan that will be drawn at random from all of our fans. The winner will be notified via email.
