

Arizona Travel Credit

iJourneyGreen is a 501(c)3 non-profit that provides a way for tour operators, businesses, and travelers to give back in the regions of the world that they travel.

The iJourneyGreen Arizona Travel Credit donates money to an environmental, social, and charitable cause in the United States, and is a perfect solution for travelers wanting to give back to this incredible region.

Please find below the details of an (example) Travel Credit investments for this region.

1

American Forests:

American Forests is a world leader in planting trees for environmental restoration, a pioneer in the science and practice of urban forestry, and a primary communicator of the benefits of trees and forests.

2

EcoLogic:

In order to conserve the planet's diminishing diversity of life in a way that addresses the needs of local people. Given that the world's poorest people live in some of the most biologically diverse areas, EcoLogic saw a need to help the poor to meet their needs while protecting the habitats of the surrounding landscape.

3

Microfinance loan in the United States:

Microfinance is the provision of financial services such as loans, savings, insurance, and training to people living in poverty. It is one of the great success stories in the developing world in the last 30 years and is widely recognized as a just and sustainable solution in alleviating global poverty.
